## Parking

Weekday visitors must park at Clemson Presbyterian Church and ride a shuttle bus to the Visitors Center. Tiger Transit, the University's shuttle service, will begin running 90 minutes prior to the first tour of the day and continue until 3:30 p.m. Please arrive at the church parking lot 30-45 minutes before your scheduled tour. A short shuttle ride will bring you to the Visitors Center where your Clemson tour begins.

When you're ready to return to your vehicle, hop back on Tiger Transit (look for the bus marquee "Visitors Center Route") at the Visitors Center.

Weekend visitors, excluding home football weekends, will park in designated areas across campus. For more information, visit [clermson.edu/parking](http://clermson.edu/parking).
